MARILYN JAEGER, CLERK  
TOWN OF YORK  
W9095 SAWMILL RD  
BLANCHARDVILLE, WI 53516

Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. You may begin enforcing the UDC per its administration and enforcement requirements of Ch. Comm 20, for at least all new one- and two-family dwellings as well as new alterations and additions to dwellings originally built since June 1, 1980. Note that all inspections must be performed by properly certified inspectors.

However, merely as an FYI, The Wisconsin Electrical Code is now ch. Comm 16 and the Wisconsin Uniform Plumbing Code is now chs. Comm 81-87. You may want to update these the next time your ordinance is updated.

Enclosed is an order form for purchasing forms and UDC seals, one of which must be assigned to each new dwelling. (Please note your municipality number above when completing the order form.) The yellow copy of the building permit application, on which the seal number is indicated, must be forwarded to us within 30 days of issuance.

Feel free to contact me if you have any questions.

Sincerely,

Duane Hubeler  
UDC Consultant
